FOR IMMEDIATE RELEASE

Bishop - Caltrans District 9 Director Tom Hallenbeck announced the award and approval of the State Highway 190 Reconstruction Project to Las Vegas Paving Corporation of Las Vegas Nevada. On August 17, 2004 heavy rainstorms caused extensive damage to the roadway closing the road to the traveling public from the junction of Bad Water Road to the Junction of State Highway 127.

Construction to repair the roadway began this week and will be completed in the spring of 2005.

Questions concerning this construction project can be directed to Caltrans Resident Engineer Dan Deyo at 877-202-6977

When approaching the construction zone the traveling public is advised reduce their speed, observe the construction signs, and watch for construction personnel and equipment
